ARTICLE 1: APPLICATION and INTERPRETATION

1.01 Application

The following By-laws shall set out and govern the day-to-day operations and work (meetings, decisions, actions and affairs) of the Alumni Council of the Massey College Alumni Association. These By-laws are a companion document to the Constitution of the Massey College Alumni Association.

1.02 Interpretation and definitions

All defined terms used herein (which includes all capitalized words and phrases) are found in Article 15 of these By-laws and shall have the meaning ascribed thereto unless the context requires otherwise.

ARTICLE 2: MEMBERSHIP

2.01 Members

Membership is open to the individuals in good standing with the College and the Massey College Alumni Association, as established in Article 3.01 of the Constitution.

2.02 Expanding the Membership

Anticipating future new titles, the Membership might further be composed of individuals who were granted by Massey College any title of Fellow, Resident, Scholar, or related title, that is not specified in the list established in Article 3.01 of the Constitution, and who are no longer affiliated with the College as such. The addition of these past Members of the Massey Fellowship to the Alumni Association Membership must be approved by the Principal and the Alumni Council, and ratified by a vote of at least two-thirds (⅔) of the Members present at an Annual General Meeting (AGM).

2.03 Suspension and Expulsion of Members

The Council shall have the authority to censure, suspend, or expel any Member from the Association for reasons including, but not limited to the following:

(i) a material violation of any provision of the MCAA Constitution or By-laws, the Code of Conduct of Massey College, or other policies, directives, and regulations, etc., of the Association or Massey College; or
(ii) carrying out conduct determined by the Association to be detrimental to the MCAA or Massey College.

In the event the Council receives notice of an offense or becomes aware of an offense which ought to be addressed, the Council shall create a disciplinary sub-committee of at least three (3) members, with five (5) or seven (7) recommended as the seriousness of the issue warrants increased oversight and legitimacy; though for expediency in certain cases where warranted, this may also simply encompass the entire council for summary proceedings. These Members should likely be drawn from the Council, but could also include regular Members if deemed appropriate, especially if there is conflict of interest concerns or particular expertise in the Membership that would be helpful. The disciplinary committee is then required to take the following steps within a reasonable time frame:

a) Set a preliminary meeting for the sub-committee to lay out the initial information available and determine the immediate merits of the case. At least summary minutes should be taken for record. The committee should also determine whether notice should be provided to Massey’s Principal.

b) Determine whether immediate suspension of the accused from membership and associated rights and privileges is warranted for the duration of the investigation.

c) Inform the accused in writing of the offence with which they have been charged, specifying in general terms the offending behaviour and the process that will be followed, as well as whether their membership has been temporarily suspended. All parties involved should be asked to submit their own written account of events at this time, as soon after the events occurred as is reasonable to promote accuracy.

d) Engage in information gathering as the sub-committee sees fit; primarily interviewing relevant parties and taking record following the submission of statements, in confidence to the sub-committee, or even to individual members of the committee if necessary to ensure privacy and confidence.

e) The sub-committee should then reconvene to exchange information as privacy and confidence allows and attempt to create a pattern of facts which most clearly describes what occurred. The committee then needs to decide whether further investigation is necessary and, if so, set a plan and timeline with another date to reconvene.

f) Once a thorough attempt has been made to ascertain the fullest version of events reasonably available, the committee must then decide on the merits of the charge and whether penalty is warranted; again, limited to censure, suspension, or expulsion of the rights and privileges of membership, in part or in full. Suspension may be indefinite pending Council review. It should be stipulated at the time of decision when the Committee deems that it may be appropriate for the Council to consider requests for readmission. Expulsion should be reserved for only the most clear and egregious offences and would be permanent without option for readmission.

The reasons for decision of the disciplinary sub-committee should then be written up by one or more of its members, outlining the charge(s) put forward, specifying the nature of the offence, the steps generally undertaken to ascertain and substantiate the charge(s), and the outcome the committee found appropriate. These reasons should then be made available in writing to the relevant parties, including the Council as well as the appropriate levels of College administration, always having concern for the privacy and confidence of all involved. It should be suitable to keep on confidential record of the Council and the College for reference in future disciplinary matters and in case of a request for readmission.
Given the above, it may be appropriate in some circumstances where privacy and the sensitivity of a given issue allows, to offer a report and put the outcome forward as a recommendation of the sub-committee to the Council generally, or even to a vote in the general Membership. This would be most appropriate if the offence concerned the Membership generally, such as a mishandling of association funds. This decision remains ultimately in the hands of those in the sub-committee in whom confidence may initially have been entrusted.

In most cases, the decision of the disciplinary committee should be final. If, however, in limited circumstances such as the process being compromised or there being a strong case for unfairness in the way the accused was treated, an appeal can be made to the Council as a whole. The Council would then review the decision, hearing an overview of the issue on appeal, though not necessarily particulars as confidence allows, and deciding a course of action that remedies the issue, if it has merit, as they see fit.

ARTICLE 3: **ALUMNI COUNCIL’S COMPOSITION AND TERMS OF DIRECTORS**

3.01 Composition of the Alumni Council

The Alumni Council is composed of voting Directors and invited non-voting Observers, as established in Article 4.02 of the Constitution.

3.02 Observers

Observers are non-voting members of the Alumni Council, and do not need to be Members of the MCAA. They are invited by the Alumni Council to participate as they add value to the Alumni Council’s deliberations and work. Observers may serve on committees of the MCAA.

There is no obligation to have Observers on the Council, nor are there limits to the number of Observers there may be. The term is traditionally for one (1) year, but the Council reserves the right to rescind, reevaluate or extend the invitation at any time.

A mutually beneficial bi-lateral agreement was struck in 2019, and was placed in the two entities’ respective By-laws. At the discretion of each entity, one Alumni Council representative, as determined by the Alumni Council, may be invited as an Observer for a twelve months term to the House Committee, and two individuals from the JCR may be invited to the Alumni Council as Observers.

The two Observers from the JCR that are currently considered for invitation:

a) the New Alumni representative, as chosen by the JCR.

This individual is an outgoing JCR member who will become a Member of the MCAA at the end of the academic term. They are chosen through an election process at the spring JCR Meeting for a one (1) year term. They should be able to provide the Alumni Council a unique perspective of the current needs of the incoming class of Alumni.

b) the House Committee chosen Junior Fellow.

This Junior Fellow is chosen by the House Committee during the fall season for a one (1) year term. They do not need to be a member of the House committee, but should be very involved at the College, know most of the Chairs of the various committees of the JCR and have a holistic
understanding of the College. They should be able to provide the Alumni Council with a better understanding of the current activities and events at the College, as well as help develop partnerships between the MCAA committee Chairs and various JCR committee Chairs so that they may organise joint programming, and find ways to better support the Junior Fellowship and Massey College.

3.03 Exceptional composition of the Alumni Council for 2021-2022

To ensure a smooth transition to the new Alumni Council model, each individual who is a Director on the date these By-laws come into force will temporarily continue as an Observer until the end of the 2021-2022 MCAA year cycle. Should any of these individuals be elected as Director, they will lose the status of Observer and be a voting Director for the duration of their term. Article 3.03 of these By-laws will become obsolete at the AGM held in 2022.

3.04 Election and term of elected Directors

Directors are elected following an AGM of the Association, as per Article 7 of these By-laws, and their term starts on the first day of the MCAA year cycle, as per Article 1.04 of the Constitution.

Each elected Director shall hold office for a term of three (3) years and shall be eligible for re-election for one further three (3) year term. Exceptionally, this does not apply to the 2021-2022 Alumni Council as per Article 3.05 of these By-laws.

3.05 Exceptional circumstances for the 2021 AGM

In an effort to have elections, renewal and leadership change every year, the initial nine (9) Alumni Directors of the Alumni Council will be elected as follows: three (3) Directors will be elected to a one (1) year term, three (3) Directors will be elected to a two (2) year term, and three (3) Directors will be elected to a three (3) year term. Article 3.05 of these By-laws will become obsolete at the AGM held in 2022.

3.06 Special circumstances to terms of Directors

Directors who served as President are provided an additional one (1) year as a Director to serve a term as Past-President, as defined in Article 4 of these By-laws.

If a Director is chosen to serve as President in the second (2nd) or third year (3rd) year of their term, they will be eligible to serve their full two (2) year term as President, and one (1) year term as Past-President, and will retain the status of Director even if this exceeds their term. They cannot run again for re-election on the Alumni Council, until their new extended term as Director has expired.

3.07 Exceptional circumstances for the 2021 AGM

Exceptionally for the first Alumni Council, a Director elected for a one (1) year or two (2) year term may be elected to become President. Should that situation occur, this Director's term may be extended enabling them to serve two (2) years as President and one (1) year as Past-President. Article 3.07 will become obsolete at the AGM held in 2022.

3.08 Vacancies and filling vacancies through appointments
The Council may be composed of fewer than the maximum number of Directors as per Article 4.02 of the Constitution, where one or more positions become vacant, as long as there is quorum.

Council may fill an interim vacancy by Council Resolution at an Alumni Council meeting. Appointed Directors must be Members and will hold office until the end of the Massey Alumni Association year cycle, and cannot serve as President of the MCAA.

In the exceptional situation where there is no quorum of Directors remaining in office, the remaining Directors shall call a Special General Meeting (SGM), as per Article 6 of these By-laws to fill a vacancy on the Council. A Director who is elected by a SGM to fill a vacancy shall hold office until the end of that MCAA year cycle.

3.09 Full vacancy

If, for any reason, there should be no elected Directors of the Association, the Principal of Massey College, or their designate, shall have the authority to manage the affairs of the Association until new Directors are appointed or elected. The Principal, or designate, shall ensure that notice of this situation is given in an appropriate and timely manner to the Members of the Association. In such circumstances, the Association shall not be dissolved unless no candidates are found to fill the empty positions on the Alumni Council by the first anniversary of the departure from office of the last elected Director. After this period of one year, the Principal, or designate, may dissolve the Association at any time, providing that appropriate notice be given to the Members.

3.10 Removal of elected or appointed Directors from the Alumni Council

The Members may remove an elected or appointed Director from the Council before the expiration of the Director’s term by a vote of at least two-thirds (⅔) of the Members in attendance, in person, electronically or by proxy, at a Special General Meeting or Annual General Meeting. A Director is entitled to give the MCAA’s Membership a statement opposing their removal, either in writing prior to the AGM or SGM, or in person at the AGM or SGM.

A Council appointed Director to fill a vacancy, as per Article 3 of the By-laws, may be removed prior to the expiry of their term by a vote of at least two-thirds (⅔) of the remaining voting Directors on the Alumni Council.

An appointed or elected Director will be removed prior to the expiry of their term should they no longer be a Member in good standing with the Alumni Association.

ARTICLE 4: ALUMNI COUNCIL

4.01 Duties of Directors and Observers

Every Director or Observer, when exercising the powers attributed and performing the functions of a Director or Observer, must:

The only non-elected Office is that of the Past-President. As per Article 3 of the By-laws, the Past-President has a (1) year term, and will retain the status of Director for that additional year, even if this exceeds their term on Council.

The President of the MCAA will convene a Special Alumni Council Meeting (SACM), including all current Directors and the new Directors-elect, no later than seven (7) days following the announcement of the election results to choose Officers to fill any vacant Offices. Non-returning Directors may attend this meeting, but only Directors-elect and returning Directors may vote. Should there be a vacancy in the office of President, a new President shall be chosen by the Directors of the future Council and the new President shall take office on the first day of the Massey Alumni Association year cycle, at which point the prior President shall then become the Past-President.

Without restricting the generality of the following, the President shall:

a) represent the Alumni Council and the MCAA as needed, and speak and perform duties as authorized by the Council, the By-laws and the Constitution;

In the absence of, or at the direction of the President, the Vice-President shall assume the duties of the President. Should the Vice-President be unable to assume the duties, then the Past-President or another Director may be designated by the Council.

In the event of a vacancy of office, the Council shall appoint a President from amongst the Directors on a temporary basis for the balance of the MCAA year cycle.

4.06 Election of the Vice-President, Treasurer and Secretary

At the same SACM, the Directors-elect and the returning Directors shall elect, for a one (1) year term, the next Vice-President, Treasurer, and Secretary from among the returning Directors and the Directors-elect of the Council. These Officers-elect will start their term on the first day of the MCAA year cycle.

4.10 Appointment of Roles to Directors

The Council may appoint Directors to responsibilities and portfolios as the Council may determine from time to time. The scope of the duties and responsibilities shall be set out in a Council Resolution.

4.11 Protection of Directors and Officers

No member of the Alumni Council, whether they be a Director or an Observer, shall be liable for the acts or omissions of any other member of the Association’s Council, or for any costs, charges or expenses of the Association resulting from any tortious acts of or relating to the Association or any other voting Director or Observer of the Association’s Council, or for any loss occasioned by an error of judgment or oversight on the part of any other member of the Association’s Council, or for any other costs, charges or expenses of the Association occurring in connection with the execution of the duties of the member, unless such costs, charges or expenses are incurred as a result of such person’s own wilful neglect, default or negligence, provided that in no circumstance shall any member of the Association’s Council be liable in any of the above circumstances for the acts or omissions of any employee or agent of Massey College. The Directors and Observers of the Massey College Alumni Association shall be covered by the general insurance policies held by Massey College.

In such a situation, all Directors must be present at the meeting or, if any Director is absent, sufficient proof is provided by any other Director that the absent voting Director has consented to the holding of such meeting.

5.02 Quorum and Attendance of members at Alumni Council meetings

Quorum for any Alumni Council meeting is more than half the current composition of Directors, as established in Article 4.02 of the Constitution.

Directors and Observers are entitled to attend any Alumni Council meeting. The President or the Council may request that Observers absent themselves from a portion of meetings.

5.03 Presence at Alumni Council meetings

All Alumni Council meetings shall be considered open to all interested Members of the Association, except for portions where confidential and privileged issues are to be discussed by the Council. When a meeting goes into an in camera session, the motion shall specify any individuals who may be allowed to be present during the in camera session.

The President or, in their absence or inability, the Vice-President shall be Chair of the Alumni Council meeting. If at any meeting of the Alumni Council the President or Vice-President is not present within 15 minutes after the start time appointed for the meetings, or request that they not chair that meeting, the remaining Directors shall elect a Chair for that meeting.

The Alumni Council meeting will follow the procedural rules as set out in the latest edition of the Robert’s Rule of Order, except where contradicted by the Constitution or the By-laws, which take precedence. In the event of any doubt, dispute or ambiguity in relation to procedural matters or process at a Council meeting, the person presiding as Chairperson will have the authority to interpret and determine matters in accordance with those rules, as well as the Constitution and these By-laws.

6.02 Special General Meeting (SGM)

A Special General Meeting would generally be called in order to address an urgent situation with the entire Membership. A SGM shall be called:

(a) upon resolution of the Alumni Council, provided a vote of at least two-thirds (⅔) of the Directors at such meeting of the Council are cast in favour; or
(b) upon written requisition of seventy-five (75) Members of the Association delivered to the President of the MCAA and such requisition shall set out the business proposed to be transacted at such Special General Meeting, and shall be held at such time and place as the Council may determine within thirty (30) days of receiving the valid requisition.

6.03 Notice of a General Meeting and publishing the Agenda

Notice of an AGM or of a SGM, including the place, date and time of the meeting, shall be given to the Membership at least twenty (20) days prior to the date on which the General Meeting is to be held.

Notice shall be given via channels deemed popular and expedient, such as the Official Publication of the College, the Massey College website, and in all publications of the Association, provided the provisions of this Section are also met.
Notice will also be sent out via email to all the Members’ addresses on file in the College’s database.

The Notice shall include reference to the right to be present by proxy, as described in Article 6 of these By-laws. It shall also explain how to propose motions and items to be brought forward at the AGM or SGM before the Agenda is sent out to the Membership.

The Agenda shall be sent via email, to all Members in the College’s database, at least seven (7) days before the start of the General Meeting.

6.04 Right to be present and to participate

All members of the Massey Community are welcome to attend any AGM and SGM of the MCAA, but only Members of the MCAA in good standing may bring forward motions, vote, or be counted for quorum. As stipulated in Article 3.02 of the Constitution, at any AGM or SGM, each Member shall be entitled to one (1) vote. Non-Alumni who wish to participate in debate must be granted speaking rights by a motion from the floor.

6.05 Proxies

a) Every Member at an AGM or SGM may appoint another Member to attend and act for them to the extent conferred by the proxy.
b) Any Member is permitted to hold a maximum of five (5) proxies at any General meeting.
c) An instrument appointing a proxy shall be in writing executed by the appointing Member, and ceases to be valid after the AGM or SGM to which the proxy relates has been adjourned.
d) The proxy shall be in the form set out by the Council from time to time.
e) The name of the nominee to hold the proxy must be communicated to the Chief Returning Officer at least twenty-four (24) hours before the AGM, or to the Secretary of the Alumni Council at least twenty-four (24) hours before the SGM.

6.06 Quorum

Quorum for any Annual or Special General Meeting is twenty-five (25) Members in person, by telephone-conference, electronic means, or by proxy.

6.07 Lack or loss of quorum, and adjournment

Should an Annual or Special General Meeting fail to achieve or maintain quorum, or be adjourned by a vote at the meeting, the Alumni Council may vote to call a future emergency General Meeting. This meeting will have a reduced quorum of fifteen (15) Members, but requires a two-thirds majority vote of the Alumni Council in order to be called. No new business shall be allowed at this meeting and all other procedures and requirements for General Meetings will remain unchanged.

6.08 Chair

The President, or in the President's absence the Vice-President, shall be the Chair of any Annual or Special General Meeting. The Council, by Council Resolution, can also appoint another Person to preside as Chairperson. In the absence of the President, the Vice-President, and the Council appointed Person, any individual shall be appointed the Chair by a vote of the Members.
6.09 Chair to Determine Procedure

The AGM and the SGM will follow the procedural rules as set out in the latest edition of the Robert’s Rule of Order, except where contradicted by the Constitution or the By-laws, which take precedence. In the event of any doubt, dispute or ambiguity in relation to procedural matters or process at a Council meeting, the person presiding as Chairperson will have the authority to interpret and determine matters in accordance with those rules, as well as the Constitution and these By-laws.

6.10 Secret Ballot

In exceptional circumstances, a secret ballot may be necessary. Where a vote is to be conducted, and prior to the question being put to a vote, a number of Members equal to not less than thirty (30) percent of the votes present may request a secret ballot, and where so requested the vote in question will be conducted by written ballot or other means whereby the tallied votes can be presented anonymously, in such a way as to be impossible for the assembly to identify how a given Member voted.

6.11 Voting by Chair and breaking a tie

In regular circumstances, the Chair does not have a vote during the AGM or SGM. In the case of an equality of votes at any meeting, the Chair shall be entitled, as a Member, to a tie-breaking vote as long as the Chair is a Member. If the Chair is not a Member, they are not entitled to a tie-breaking vote. They will ask the Members to vote again at an appropriate time later in the meeting. Should the outcome of the second vote still be a tie, the Chair will have the authority to postpone the question until the next Annual or Special General Meeting.

6.12 Preparation, approval and distribution of Minutes

Within sixty (60) days of the dissolution of an AGM or SGM, the minutes shall be prepared by the Secretary, or designate, and be reviewed by the Chair of the AGM or SGM and the Directors of the Alumni Council. These minutes will then be reviewed, amended and approved by the Membership at the following AGM and published through channels available to the MCAA.

ARTICLE 7: NOMINATIONS AND ELECTIONS OF DIRECTORS

7.01 Appointment of a Chief Returning Officer

The Alumni Council shall appoint a Chief Returning Officer for the purpose of the General Elections, whose duty it shall be to receive nominations, supervise the production of ballots, and the counting of votes returned. The Chief Returning Officer shall exclude ballots from the counting which, in their opinion, are spoiled ballots. The Director of Advancement of the College or any Member of the MCAA may act as Returning Officer, unless they are nominated as a candidate in the General Election.

7.02 Nomination of Director

All nominations are subject to the following rules:

7.03 Elections

The start of the yearly election of Directors will generally take place in conjunction with the AGM and will take place before the end of the MCAA year cycle. Notice of an election of Directors will be provided to Members by sending an email to all Members in the College’s database, and other reasonable channels available to the MCAA will be used, including posting the information on Massey’s website and the MCAA’s webpage.

Directors will be elected by vote of the Members in accordance with the application provisions of these By-laws and such election policies and procedures as are established by the MCAA from time to time.

To the extent possible, approximately one-third of Director positions will become vacant for election each year.

7.04 Voting period

The voting period will start right after the AGM and end at 11:59 p.m. fourteen (14) days later.

7.05 Election by Acclamation

In elections where the number of eligible nominees at the close of the nomination period is equal to or less than the number of Director positions that will become vacant, then the eligible nominees are deemed to be elected by acclamation and no vote will be required.

7.06 Election by Secret Ballot

In elections where there are more eligible nominees than vacant Director positions at the close of the nomination period, elections will be by secret ballot and the following rules will apply:

a) the secret ballot may be conducted by electronic means, or other means as determined by the Council, for the fourteen (14) day voting period;

e) ballots will be counted following the close of the election period by the Returning Officer appointed by the Council;
f) nominees will be deemed to be elected in order of those nominees receiving the most votes;
g) in the event of a tie between two or more eligible nominees for the final vacant position, the Chief Returning Officer will place one ballot marked for each tied nominee into a suitable container and in front of at least one member of the Alumni Council shall draw one ballot from the container at random, which nominee selected will be elected to the final vacant position; and
h) the results of an election by secret ballot will be announced to all Members following the counting of the ballots.

7.07 Business of the Alumni Council between the AGM and end of the MCAA year cycle

During the interval between the date of the AGM and the start of the following Massey College Alumni Association year cycle, current Directors of the Council in place may continue to perform functions and new expenditures may be authorized by the Council. It is expected that the Directors-elect contribute to the Alumni Council’s work during this transitional period. The exception to this Article shall be with the 2021 AGM. The Directors-elect will take over the administration of the Alumni Council the day after the election results have been announced.

ARTICLE 8: COMMITTEES

8.01 Creation of Committees

The Alumni Council may create one or more Standing and Special Committees as it deems necessary to carry out the affairs of the Association. The Council must establish Terms of Reference for each Committee by Council Resolution. In the exercise of its duties, the Committee shall conform to these terms and rules and will have no additional power other than the ones delegated to it.

All Committees shall reflect the purposes of the Association and serve the MCAA. The Committee Chair, or designate, will report back to the Alumni Council on the progress of the Committee’s work, at Council meetings, or as the Council may determine.

Embassies are groups of Alumni that are organised based on their geographic location. These Council-approved entities function pursuant to their distinct governance structures consistent with the interests of the MCAA.

Groups interested in becoming Embassies must be recognized by the Council and state their intent to the Council. To determine approval of the application, the Alumni Council will consider demonstrated consistent leadership and sustained activity, and whether the interest of the alumni of Massey College will be served by recognizing such a group as an Embassy.
The Association and its Embassies play a mutually supportive role in the interests of Alumni represented by the Embassy. The Association is the “umbrella organisation”, and in this role, it shall strive to support and facilitate the more specific interests of each of its Embassies.

The Council shall keep, at the Head office of the MCAA, an up-to-date list of its Embassies along with the contact information of the Ambassadors (the heads of the Embassies) and the affiliated MCAA members.

9.02 Powers and privileges of the Embassies

Each Embassy will define the role it plays with its members and contribute to the building of a beneficial community for its members, the MCAA and Massey College. Embassy programming is delivered jointly between local volunteers, the Massey College Alumni Association and Massey College.

Embassies will use By-laws established by the MCAA. Should an Embassy wish to be governed by their own By-laws, these must be approved by the MCAA.

Each Embassy is entitled to representation on the Council of Ambassadors, which is made up of Alumni leaders who represent recognized Alumni Embassies.

9.03 Membership on the Council of Ambassadors

The Council of Ambassadors is composed of all Ambassadors, or their designates, as well as the current President and Past-President of the MCAA, the Principal, Director of Advancement, and the members of relevant committees.

9.04 Role of the Council of Ambassadors and Meetings

The Council of Ambassadors is chaired by the President of the MCAA and meets a minimum of once per year. These meetings, which may be done through electronic means and/or teleconferencing, shall provide an orientation to the workings of the Association and help with dissemination of information and the communication of best practices to the various Ambassadors. These meetings shall also offer Council members the opportunity to collaborate, build peer-to-peer networks, and share their ideas and experiences with fellow Alumni volunteer leaders. It is expected that each Embassy will provide an annual update of activities.

9.05 Dissolution of an Embassy or Appointment of a new Ambassador

Should an Embassy no longer adhere to the terms of the MCAA, the Alumni Council may, by Council Resolution, appoint a new Ambassador until the following election cycle of the Embassy, or may dissolve an Embassy.

The Association’s Legacy Fund is held in trust and managed by Massey College on behalf of the Association. These funds, the income earned from the Association’s Legacy Fund, as well as other funds destined for the MCAA shall be made available to the Association by the College for such purposes as the Council of the Association may determine in accordance with the Constitution and these By-laws. The Council will approve all expenditure decisions.

Each Member is entitled to a copy of the Constitution and By-laws. Upon request, the MCAA will provide the Member with an emailed copy of the Constitution and these By-laws.

13.02 Inspection of Records
