To the Principal and Fellows of **Massey College**

### Opinion

We have audited the financial statements of Massey College (legally known as The Master and Fellows of Massey College) (the "College"), which comprise the statement of financial position as at April 30, 2021, and the statements of operations and changes in fund balances and cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the College as at April 30, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the College in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the College or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the College's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the College's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the College to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Massey College (Note 1)

### Notes to the Financial Statements

April 30, 2021

---

#### 1. Purpose and organization

The Master and Fellows of Massey College, which operates as Massey College (the "College"), was incorporated without share capital by a Special Act of the Province of Ontario and is a Registered Charity under the terms of the Income Tax Act (Canada). Massey College is deemed to control The Quadrangle Fund (Note 6).

The goal of the founders, Vincent Massey, Claude Bissell and Robertson Davies, was to create a fellowship for the advancement of learning; to maintain a hall of residence for graduate students at the University of Toronto (the "University"); and to provide amenities and facilities for a community of scholars. The members of the College form a multidisciplinary and diverse society that includes distinguished senior scholars, eminent members beyond the academic world and junior fellows.

In 1963, the College was built and furnished by the Massey Foundation on campus property granted to the College by the University.

---

#### 2. Summary of significant accounting policies

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO"). ASNPO requires entities to select policies appropriate for their circumstances from policies provided in these standards. The significant accounting policies selected by the College and applied in these financial statements are summarized below.

##### **Fund accounting**

The College uses fund accounting whereby resources for particular purposes are classified for accounting and reporting purposes into the following funds.

##### *Operating fund*

The Operating fund consists of donations, revenue and expenses relating to the operations of the College not included in the other funds outlined below.

##### *Restricted funds*

Donations for specific purposes and the expendable portion of endowed funds, net of expenditures thereof, comprise the Restricted funds. The internally restricted portion represents funds transferred at the discretion of the Governing Board to a restricted fund.

##### *Endowed funds*

Endowed capital represent gifts and bequests to be held by the College in perpetuity, where the principal is invested to create a source of income to support the purposes specified by the donor and is accounted for within the respective endowment fund. The internally and externally restricted portion of the endowed funds represents net earnings on the original endowment, augmenting endowed capital for inflation protection.

##### *Capital fund*

The Capital fund reflects capital expenditures on property and equipment of the College, net of related accumulated amortization.

---

## **Massey College (Note 1)**

### **Notes to the Financial Statements**

April 30, 2021

---

#### **2. Summary of significant accounting policies (continued)**

##### **Financial instruments**

The College considers any contract creating a financial asset, liability or equity instrument as a financial instrument, except in certain limited circumstances. The College accounts for the following as financial instruments:

- Cash
- Accounts receivable
- Investments
- Accounts payable
- Funds held for others

Financial assets or liabilities obtained in arm's length transactions are initially measured at their fair value and financial assets or liabilities obtained in related party transactions are measured at their exchange amount.

At each reporting date, the College measures its financial assets and liabilities at amortized cost with the exception of investments, which are measured at fair value. Fair value of the investments are determined using active market quoted rates. Unrealized gains and losses arising from the change in fair value of the investments are recorded in operations for the year.

##### **Inventory**

Inventory is recorded at the lower of cost and net realizable value and is depleted using the weighted average cost method. Inventory expensed during the year is recorded in the statement of operations as dining and catering and college programmes expense.

##### **Investments**

Investments of the College and The Quadrangle Fund are managed as a single portfolio. Earnings on investments and investment management fees are allocated to the Quadrangle Fund and the College's invested funds in proportion to the weighted average balance of each fund. Investment management fees are included in general and administrative expenses in the statement of operations.

##### **Collections**

The College maintains an art collection in the amount of \$1 and a rare books collection in the amount of \$1. Both the College's art collection and rare books collection are accounted for and presented in the statement of financial position at a nominal amount. Donated items to the College's collections are not recognized in the statement of operations. During the fiscal year, the College received and receipted an amount of \$Nil (2020 - \$32,056) of rare books. In addition, the College purchased rare books for its collection in the amount of \$Nil (2020 - \$52,100) reflected as a library expense of the library fund. During the fiscal year, there were no disposals of the College's collections.

---

## **Massey College (Note 1)**

### **Notes to the Financial Statements**

April 30, 2021

---

#### **2. Summary of significant accounting policies (continued)**

##### **Property and equipment**

Property and equipment is recorded in the Capital fund at cost. The College amortizes the cost of property and equipment on a straight-line basis over its estimated useful life as follows:

Building improvements	- 30 years
Furniture and equipment	- 5 years
Computer hardware and software	- 5 years
Air conditioning	- 10 years

The College records a half year of amortization in the year the property or equipment is acquired and put into use.

Property and equipment are tested for impairment when events or changes in circumstances indicate that an asset might be impaired. The assets are tested for impairment by comparing the net carrying value to their fair value or replacement cost. If the asset's fair value or replacement cost is determined to be less than its net carrying value, the resulting impairment is reported in the statement of operations. Any impairment recognized is not reversed.

##### **Revenue recognition**

Donations are recognized as revenue in the respective fund in the year received or receivable except restricted donations recorded in the Operating fund, which are deferred and recognized in the year in which the related expenses are incurred. Unrestricted donations are recognized as revenue of the Operating fund in the year received or receivable.

The College recognizes term fees, rental income, residents' meals, catering and other meals and other revenue in the period in which the services are provided and collectability is reasonably assured. Payments from the University are recognized as revenue when received or receivable. Earnings on investments and government subsidies are recognized as earned.

##### **Contributed goods and property, art, rare books and services**

Contributed goods and property are recorded at their fair value as appraised by independent third parties where the value of goods and property are greater than one thousand dollars. Where contributed goods and property are valued at less than one thousand dollars, the appraisal is performed internally. Contributed art and rare books are recognized at a nominal value. Contributed services are not recorded in the accounts of the College.

##### **Use of estimates**

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. The items requiring the use of significant estimates include the estimated useful lives of property and equipment and accrued liabilities. Actual results could differ from these estimates.

---

## Massey College (Note 1)

### Notes to the Financial Statements

April 30, 2021

---

#### 2. Summary of significant accounting policies (continued)

##### Controlled not-for-profit organization

Massey College is deemed to control The Quadrangle Fund since the directors of The Quadrangle Fund are also members of Massey College. The College follows the disclosure approach to reporting the results of The Quadrangle Fund (Note 6) and accordingly, the financial results of The Quadrangle Fund are not consolidated with those of the College. Accounting policies followed by The Quadrangle Fund are consistent with those of Massey College.

---

#### 3. Investments

- a) Investments held, and the allocation between Massey College and The Quadrangle Fund, are as follows:

	<u>2021</u>	<u>2020</u>
Canadian equities	\$ 8,901,893	\$ 6,431,761
Bonds	4,881,597	6,326,650
Foreign equities	3,827,191	2,687,863
Cash and cash equivalents held for investment purposes	<u>593,586</u>	<u>279,245</u>
	<u>\$ 18,204,267</u>	<u>\$ 15,725,519</u>
Investments allocation by entity:		
Massey College	\$ 13,379,225	\$ 11,694,823
The Quadrangle Fund (Note 6)	<u>4,825,042</u>	<u>4,030,696</u>
	<u>\$ 18,204,267</u>	<u>\$ 15,725,519</u>

- b) Earnings (losses) on investments of Massey College, consists of the following:

	<u>2021</u>	<u>2020</u>
Realized and unrealized gains (losses)	\$ 2,533,424	\$ (1,311,251)
Dividend income	255,291	246,938
Interest income	<u>128,233</u>	<u>143,903</u>
	<u>\$ 2,916,948</u>	<u>\$ (920,410)</u>

## Massey College (Note 1)

### Notes to the Financial Statements

April 30, 2021

#### 4. Property and equipment

			<u>2021</u>	<u>2020</u>
	<u>Cost</u>	<u>Accumulated Amortization</u>	<u>Net Book Value</u>	<u>Net Book Value</u>
Building improvements	\$ 5,513,349	\$(3,848,087)	\$ 1,665,262	\$ 1,708,371
Furniture and equipment	2,123,702	(2,089,777)	33,925	35,211
Computer hardware and software	189,379	(146,913)	42,466	22,980
Air conditioning	<u>910,542</u>	<u>(899,852)</u>	<u>10,690</u>	<u>13,744</u>
	<u>\$ 8,736,972</u>	<u>\$(6,984,629)</u>	<u>\$ 1,752,343</u>	<u>\$ 1,780,306</u>

The College building is on land donated by the University in 1961. As the land cannot be sold by the College but reverts to the University in the case of the dissolution of the College, there is no value reported for the land and original building cost.

#### 5. Accounts payable and accrued liabilities

Accounts payable and accrued liabilities include government liabilities of \$19,172 (2020 - \$16,327).

#### 6. The Quadrangle Fund

The Quadrangle Fund was incorporated without share capital under the Corporations Act (Ontario), and is a Registered Charity under the terms of the Income Tax Act (Canada). Its objective is to receive and maintain funds for the benefit of Massey College. The following represents a financial summary of The Quadrangle Fund.

	<u>2021</u>	<u>2020</u>
Assets		
Investments	<u>\$ 4,825,042</u>	<u>\$ 4,030,696</u>
Liabilities		
Accrued liabilities	\$ 3,008	\$ 3,527
Unrestricted fund balance	<u>4,822,034</u>	<u>4,027,169</u>
	<u>\$ 4,825,042</u>	<u>\$ 4,030,696</u>

Excess (deficiency) of revenue over expenses	<u>\$ 794,865</u>	<u>\$ (545,575)</u>

---

## Massey College (Note 1)

### Notes to the Financial Statements

April 30, 2021

---

#### 7. Transactions with the University of Toronto

With the approval of the Governing Board in prior years, endowed funds in the amount of \$1,285,400 were paid to the University under a programme of matching contributions which tripled the original amount. These funds are held for the benefit of students who are members of Massey College, in compliance with the Ontario Student Opportunity Trust Funds. All funds held by the University for the benefit of members of Massey College are endowed and invested in the University's Long-Term Capital Appreciation Pool, and as at April 30, 2021 amounted to a fair value of \$6,665,038 (2020 - \$5,539,059).

Annual distributions from earnings of the funds held by the University is determined by the University. Funds received from the University amounted to \$451,665 (2020 - \$1,173,803) and are reflected as deferred revenue in the amount of \$Nil (2020 - \$206,434), term fees in fiscal 2021 of \$118,306 (2020 - \$124,378), residents' meals \$118,306 (2020 - \$124,378), one-time strategic fund to support key initiatives for advancing the College as proposed by the new Principal including investment in advancement and its staffing structure needed to support the College's mission in the amount of \$Nil (2020 - \$500,000) and a donation of \$20,000 (2020 - \$750) with the balance of \$195,053 (2020 - \$217,863) recorded as payments from the University of Toronto. This latter amount is used to support the Journalism and other programmes at the College.

During the fiscal year, catering and other meals revenue earned from the University amounted to \$450 (2020 - \$253,911). In addition, the University paid for office space at the College in the amount of \$140,467 (2020 - \$127,500), which is included in rental income.

During fiscal 2021, Massey College incurred costs from the University for pension plan premiums in the amount of \$292,136 (2020 - \$259,035) and for maintenance and college programs in the amount of \$32,067 (2020 - \$43,799), which have been accounted for in general administrative expenses in the amount of \$21,849 (2020 - \$23,610), in residence expenses in the amount of \$1,270 (2020 - \$12,989), in college programs expenses in the amount of \$1,324 (2020 - \$Nil) and in dining and catering expenses in the amount of \$7,624 (2020 - \$7,200). Massey also incurred costs for building improvements in the amount of \$Nil (2020 - \$95,909), which have been capitalized to building improvements (Note 4).

In accordance with an agreement between the University and the College, certain costs associated with maintenance and operations of the premises are borne by the University, including basic utilities and capital and betterment related to safety. University funds are not provided for upgrades and renovations.

---

#### 8. Objectives, policies and processes for managing capital

Massey College's capital consists of the net fund balances of the Operating, Restricted, Endowed and Capital funds.

##### Operating fund

The Finance and Audit Committee's (the "Committee") objective is to maintain an Operating fund balance sufficient to meet both the annual operating requirements and the annual maintenance of property and equipment. Discrepancies from budget are discussed with the appropriate staff of the College, and where applicable, are further discussed with the Committee.

---

#### 8. Objectives, policies and processes for managing capital (continued)

##### Restricted funds

Depending on the nature of each fund within the Restricted funds, appropriate staff of the College are assigned with the responsibility of carrying out the objectives of each fund. The Bursar's Office provides reporting to the appropriate staff of the College responsible for each fund. Excess funds not required in the short-term are invested in accordance with the policy established by the Committee.

##### Endowed funds

The preservation of Endowed funds held by the College is the responsibility of both the Committee and members of Governing Board. The funds provide for the multi-dimensional programs that exist at the College including student bursaries, a journalism program, a unique library as well as an annual contribution to operations. The College's investment manager invests the funds, providing quarterly statements and monthly performance summaries.

In addition, the investment manager meets with the Committee annually, reviewing benchmarks and goals to ensure safekeeping of the funds. The objective of the investment policy over the long-term is to preserve the capital of the funds with an allowance for inflation.

##### Capital fund

The College invests in property and equipment to provide a home for the Massey community, and to maintain the heritage site within the grounds of the University. The Committee and officers of the College are responsible for this investment, directing the procedures to be followed to ensure the smooth functioning of the building and its maintenance. The Capital fund provides for building maintenance and additions not funded by the University (Note 7). The Principal, in consultation with the officers and members of the Committee, determines expenditures to be made. Funds are raised through the Restricted funds and transferred annually to the Capital Fund to meet the College's capital financing requirements. Significant capital additions are planned for and approved by the Committee who, in turn, report to Governing Board for approval of budgeted additions and improvements. Funds raised for these purposes, including those transferred from Operating funds, are placed in related Restricted funds, and transferred to the Capital fund when spent.

---

#### 9. Interfund transfers

The expendable portion of an Endowed fund is calculated as 3.5% (2020 - 3.5%) of the five year trailing fair market value average of each endowment. This portion is transferred annually from the expendable portion of Endowed funds to the respective externally restricted portion of the related Restricted funds and the Internally restricted fund, and made available for expenditure. In fiscal 2021, total transfers amounted to \$44,079 (2020 - \$42,785) to the Operating fund and \$258,738 (2020 - \$273,725) to the Restricted funds for a total transfer of \$302,817 (2020 - \$316,510).

In addition, each Endowed and Restricted fund held in the form of investments is charged an annual management fee calculated as 0.5% (2020 - 0.5%) of the five year trailing fair market value average of the respective invested funds. During fiscal 2021, the management fee transfer to the Operating fund amounted to \$61,372 (2020 - \$59,009) comprising \$43,259 (2020 - \$59,009) from the externally restricted portion of Endowed funds and \$18,113 (2020 - \$13,792) from the Restricted funds. The rates have been set at the discretion of the Committee and are reassessed periodically based on inputs including long-term investment performance, preservation of capital and other fund restrictions and programme support requirements.

## **Massey College (Note 1)**

### **Notes to the Financial Statements**

April 30, 2021

---

#### **9. Interfund transfers (continued)**

Offsetting the other funds transfer above, \$30,500 (2020 - \$1,000) was transferred from the Operating fund to the Restricted fund.

Transfers from the Restricted funds to the Capital fund in the amount of \$114,136 (2020 - \$166,796) represent funding for capital additions as allowed for by the fund's restrictions and in accordance to the College's capital process (Note 8).

Internally restricted transfers from the Operating fund to the Internally Restricted funds amounted to \$185,000 (2020 - \$321,000) for the funding of future capital maintenance and future operating needs.

---

#### **10. Financial instruments**

The College's financial instrument risks are as follows, and are unchanged from the prior year.

##### **Currency risk**

Currency risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of unfavourable changes in foreign exchange rates. An amount of \$3,827,191 (2020 - \$2,742,019), representing approximately 21% (2020 - 17%) of the investments held by the College and The Quadrangle Fund are denominated in US dollars. Consequently, these financial assets are exposed to foreign exchange fluctuations. These amounts have been converted into Canadian dollars at the prevailing foreign exchange rate as of April 30, 2021.

##### **Credit risk**

Credit risk is the risk of financial loss occurring as a result of a counter party to a financial instrument failing to discharge an obligation or commitment to the College. The College's main credit risks relate to its accounts receivable and its fixed income investments. As at April 30, 2021, the allowance for doubtful accounts is \$3,683 (2020 - \$807). The College has investments of high quality that are not expected to default.

##### **Liquidity risk**

Liquidity risk is the risk that the College will encounter difficulty in meeting the obligations associated with its financial liabilities. The College is exposed to liquidity risk mainly in respect of its accounts payable and funds held for others.

The College manages its liquidity risk by forecasting cash flows from operations and investing and financing activities to ensure that it has sufficient funds available to meet current and foreseeable financial obligations.

---

## **Massey College (Note 1)**

### **Notes to the Financial Statements**

April 30, 2021

---

#### **10. Financial instruments (continued)**

##### **Market risk**

The College's financial instruments expose it to market risk, in particular interest rate risk and other price risk, resulting from its investment activities. The College's investments exposes the College to price risks as equity investments are subject to price changes in an open market. The College's fixed income investments are subject to interest rate price risk. The College does not use derivative financial instruments to offset the effects of these risks.

---

#### **11. Contractual obligation**

The College has a consulting contract for future services in the amount of \$30,000 per annum for a period ending June 30, 2024.

---

#### **12. COVID-19**

The outbreak of a novel strain of coronavirus ("COVID-19") was declared a global pandemic by the World Health Organization in March 2020. COVID-19 has severely impacted many economies around the globe. In many countries, including Canada, businesses were forced to cease or limit operations for long periods of time. Measures taken to contain the spread of the virus, including travel bans, quarantines, social distancing, and closures of non-essential services have triggered significant disruptions to businesses worldwide, resulting in an economic slowdown. Global stock markets have also experienced great volatility and a significant weakening. Governments and central banks have responded with monetary and fiscal interventions to stabilize economic conditions.

The College has curtailed its operations in order to limit the exposure of the virus including closing of the kitchen, cleaning and porter services, and providing refunds to Junior Fellows who elected to leave. To support ongoing operation during the pandemic, the College applied for and recognized government subsidies including the Canada Emergency Wage Subsidy ("CEWS") in the amount of \$641,442 (2020 - \$64,826). Accounts receivable includes \$76,432 (2020 - \$64,826) in CEWS funding receivable.

Subsequent to year end, the College has re-opened for the 2021-2022 academic year; however, the duration and impact of the pandemic and any further potential of required closures remains unclear at this time. Because of the high level of uncertainty related to the impact for the pandemic, it is difficult to estimate the financial effect on the College.

---

#### **13. Comparative figures**

Certain comparative amounts have been reclassified from those previously presented to conform to the presentation of the 2021 financial statements.
